

Brian is probably the best teacher I've ever had in my academic career. He cares about his students and is interested about hearing you out in any given situation

“Engaging and encouraging...”

“Enjoy learning...”

”Sought clarity for an assignment that wasn’t crystal clear...”

Think and Feel?

Hear?

See?

Brian is a respectful teacher who cares for his class's success.

Say and Do?

Brian cares a lot about his students and their success!

Gave me fair critiques on every assignment and overall helped me become a better announcer

Pain Points?

Some classes consist of a significant amount of discussion time,

(type text here)

Gain Points?

Brian explains exactly what he is looking for on assignments he goes above and beyond to help everyone.
