

Fear of failing or not meeting expectations.

Overwhelmed with school, work, life responsibilities.

Responsive to questions asked

Think and Feel?
(preoccupations)

Missing opportunities for building course community.

Videos are helpful

Hear?
(influences)

See?
(environment)

Not all students navigate course content.

Clarity of deadlines for assignments for some

What does your learner...?

Say and Do?
(behaviour)

Rubrics don't always match what is asked?

Last minute/
procrastination of discussion posts.

Mismatched due dates from previous pulled courses

Pain Points?

Grading time too long

Content well organized, knowledgeable

Gain Points?

The orientation to the course video prepared by me as the instructor is highly valued.
