Available from college  
Yes  
Need introduction

---

Enter your "Ease of Use" response

Easy for IT students  
Zoom is known to be stable  
Yes  
Yes

---

Enter your "Cost" response

Zoom available in college

---

Your Teaching and Pedagogical Considerations response:

Yes

Zoom Whiteboard is flexible. I am not sure if it has a template feature. It will require the instructor to manually prepare the whiteboard.

---

Your "Interaction" response:

Yes

Yes (students can participate with annotation tool)

---

Your "Organisational Issues" response:

Part of college offering

Yes

It will require time to prepare the Zoom Whiteboard

---

Your "Networking" response:

Zoom Whiteboard can be saved to an image file, after the collaboration is completed.

---

Your Security and Privacy response:

This is part of the Zoom meeting and no additional security/privacy is required.
