

## Sarah Darling - Pronunciation of -ed Endings

+

 Anonymous 1m

### CRAAP Test

This resource did pass the CRAAP test. There are two parts that are not ideal: There is no review or referee of the material, and also the author does come across as somewhat adamant that this is the best way to learn the subject. However, she is a qualified instructor, and presents the material in a clear and consistent way followed by practice activities.

### Explanation and Practice

It's always useful to have alternate ways to explain and practice concepts. Students sometimes seem unsure about applying the concept of different -ed endings. They seem to understand quickly, but need practice with it. This site gives an alternate, simplified explanation of -ed endings with practice.
