Behaviour....
This article was a gem to find as it addresses being responsive to cultural differences, while being on the topic of supporting children with challenging behaviour.

Culturally Responsive Strategies to Supp.

Sheeba Saidu 1d
Managing Risk
Project Manager must identify what are the opportunities and threats involved in a project to manage the risk efficiently. These threats, or risks, could stem from a wide variety of sources, including financial uncertainty, legal liabilities, strategic management errors, accidents and natural disasters.
