"A Woman's Fury Holds A Lifetime of Wisdom" → where fury comes from

Notes

- Women's Bodies used without consent through History - men know better

- property - laws - medical - religious

- caused life times of fury

- Leontine Day work thinking

Men help selves of ~~our~~ use → need to use our bodies

we choose Express Anger

Men acknowledged change behav

- describes - woman gets actor - at post office someone "moved her" w/ hands - A fury rose up in her → wanted to get physical
Speaker Pondering Fury - felt it too - wonder why

Ignited by Men help phy themselves to women's bodies w/out consent. Innocuous → horrifics
- spectrum - this → shows why Women live to effects of both + in between

Example for men re cell phone taken Blind spot to men → men can't help themselves over lifetimes
Men assume know better of property & will boates we can use and we can't
Not able to express anger of our bodies
our reacting our fault. lights our path smile. fury
Anger for all - wife normally - women - acknow
Men's resp to change their bad behav. fury

links to "Julia is a woman w a sword"

The Fury that presenter shared from one event is the build up of centuries of women's bodies being used.
