

Colleagues talking about technology (both good and bad things)

Want to ensure students have the best learning experience

Intimidated by new technologies

Other instructors using technology

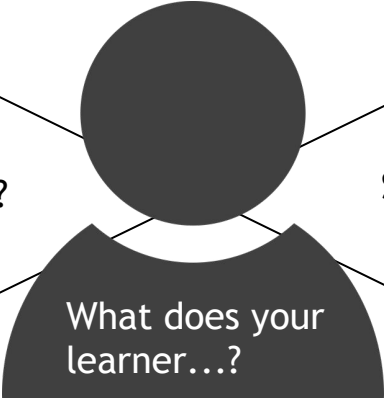

Think and Feel?

Hear?

Emails and meetings promoting digital literacy

See?

Comparing own experience/knowledge to others

What does your learner...?

Say and Do?

Books one on one meetings or attends workshops to learn new skills

Learn from community and/or resources

Pain Points?

Taking on too much or trying to learn too many things at once

Updates with technologies

Gain Points?

Successful online classes

Instructors have valued resources created by me as the digital learning specialist
