

## Scholar 1 SoTL 3 Key Learning Points

I added an entry to the editable [Keys of SoTL Google Doc](#) as follows:

### Meyer Tanuan - Nov. 16, 2021

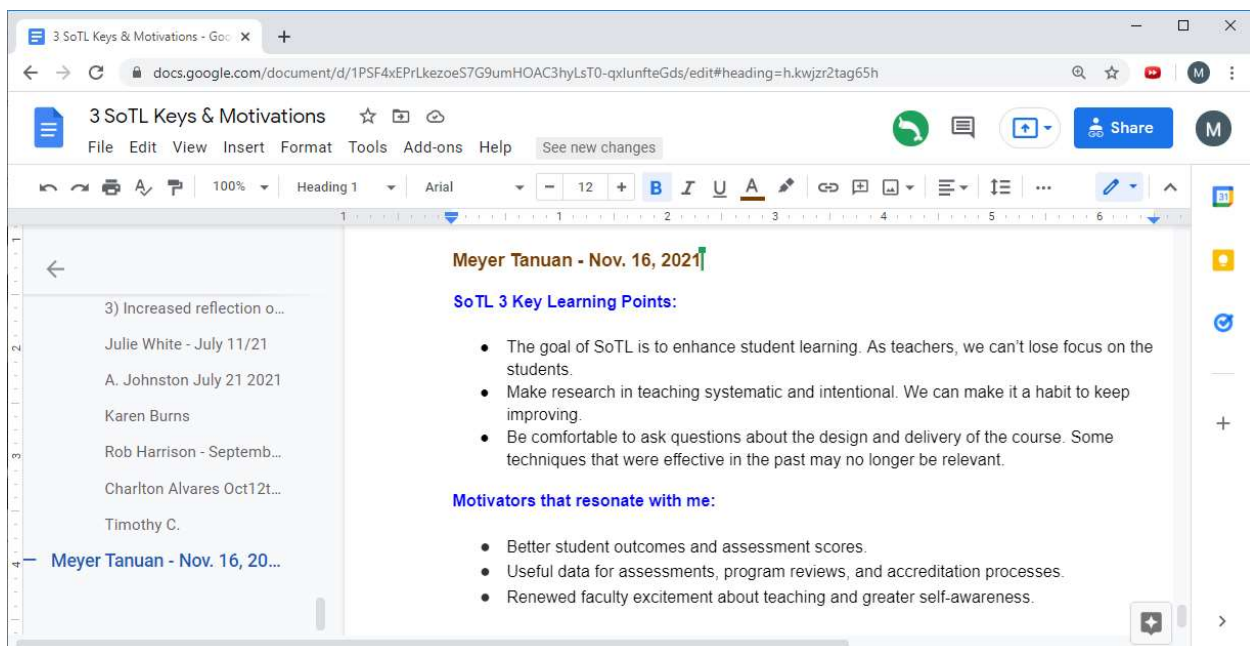

#### SoTL 3 Key Learning Points:

- The goal of SoTL is to enhance student learning. As teachers, we can't lose focus on the students.
- Make research in teaching systematic and intentional. We can make it a habit to keep improving.
- Be comfortable to ask questions about the design and delivery of the course. Some techniques that were effective in the past may no longer be relevant.

#### Motivators that resonate with me:

- Better student outcomes and assessment scores.
- Useful data for assessments, program reviews, and accreditation processes.
- Renewed faculty excitement about teaching and greater self-awareness.
