#4 LEARNER CHALLENGE

The use of a consistent software package to submit assignments is sometimes difficult with students using Apple MAC devices, and PC devices. The use of different software packages and formats also makes it difficult for students to submit an assignment that is easily marked by the Professor.

MS OFFICE FORMAT

Remind students that MS OFFICE (Mac/PC) is available for download for free for all registered students and advise them that the only acceptable formats are word, excel, PowerPoint, or Adobe PDF format.

PDF FORMAT

If students still wish to use software packages other then MS OFFICE, then they submit the assignments in PDF format.
