How and where would you publish, present, or disseminate this work?

Initial dissemination of my work would be within the Fanshawe College Community. This would then be expanded a conference and social media collaboration.

- I will meet with the other Professors within our School of Business for Project Management.
 - Discuss the way the study was performed
 - Review the results
 - Ask for feedback on the study, results etc.
- Present to our School of Business at our monthly meeting, and facilitate feedback from a wider audience
 - This session will be record and available to all faculty in our School of Business
- Publish my presentation to various teaching forums in Ontario
