Clint Smith : The Danger of silence

Aug 15/14

• When we choose to say nothing we endorse the status quo

• Authentic teaching requires challenging people even when difficult

- MLK - 'silence of our friends'

- Doing nothing creates risk

4 core principles

- Model for students vulnerability

- Listen for what is said and what is not

- use your voice

MLK reminds us that saying nothing is an action not inaction. It is important to speak truth to power even
