

Tea Time talk

July 09

Dr. Peter Totterdall

Youtube

Workplace
Innovation

social partners, university, public
agency, the bodies

Lithuania

future of work, closing the gap
between evidence based practice
& need for more innovative workplaces

2013

Europe

creativity & innovation should be at
all levels - ANYBODY - every one can
have good ideas

ONE

the recognition is very important

ecosystem
of innovation
organization

Good leader promote creativity & innovation
in the workplace

non traditional
Need for ecosystem to share
knowledge & practice
form internal communities

need to develop ecosystem & workplace innovation
that are not traditional & promote knowledge sharing
to lead to evidence based practice
