

Think and Feel?

It's hard and the bar will not be lowered by we will make it if we put the time in.

I need to make sure my marks are high enough to get into my program.

It's really hard to get good marks in all my courses when I have so many demands.

It is really important to be in class and ready to listen and learn.

Hear?

First term grades are critical to applications for future programs.

See?

No tolerance for classroom disruptions from students who are not participating

What does your learner...?

Say and Do?

Pay attention to all the little details and hints given.

Pain Points?

Tests for many classes all in the same week

Group work

Gain Points?

Interactive classroom activities
