

## Documentation tool CRAAP Test

### **Resource Title:**

Pre-health Science Pathways to Success

### **Resource URL:**

<https://ecampusontario.pressbooks.pub/prehealthpathways/front-matter/acknowledgements/>

### **Currency: The timeliness of the information:**

**When was the resource published or posted?**

**Has the resource been revised or updated?**

**Does your topic require current information?**

**Are the links functional?**

This resource is current as of 2023 and all the links are functional and current.

### **Relevance: The importance of the information for your needs**

**Does the resource relate to your needs?**

**Who is the intended audience?**

**Is the information in the resource at an appropriate level for your learners?**

This is intended for Pre Health students at Fanshawe but is relevant with adaptations to Pre health students at SLC. This is a great resource for our Emerging Careers and Technologies in Healthcare course.

### **Authority: The source of the information**

**Who is the creator?**

**What are their credentials or organizational affiliations?**

**Are they qualified to write on this topic?**

This was created by Tara Lawrence and Wayne Miller. I have known Tara through the Provincial Pre Health coordinators group for 10 years. She is very knowledgeable in this area.

### **Accuracy: The reliability and truthfulness of the information**

**Is the information supported by evidence?**

**Has the resource been reviewed or refereed?**

**Are there spelling, grammar, or typographical errors?**

There is no indication that this resource has been reviewed but I do not see any errors or omissions.

**Purpose: The reason the information exists**

**Why does this resource exist? (to inform, teach, sell, entertain, or persuade?)**

**Is the information fact, opinion, or propaganda?**

**Are there political, ideological, cultural, religious, institutional, or personal biases?**

There is some institutional bias as this resource was created by a particular college for use. It exists to inform and teach students within the program.

**Notes: Are there additional questions or observations you have about this material that affect your decision to use it? (i.e. this is an opinion piece that I will use to demonstrate one side of an argument).**

Nothing additional

**Final Recommendation: Will you use this resource? Why or why not?**

I will use this resource if given the opportunity to teach the same course I am currently teaching next year. It is very informative and well organized. I will use it with some modifications for SLC.
