

Documentation tool CRAAP Test

Resource Title:

E-Learning Heroes

Resource URL:

<https://community.articulate.com/>

Currency: The timeliness of the information:

When was the resource published or posted?

Has the resource been revised or updated?

Does your topic require current information?

Are the links functional?

Platform constantly updated, with all functional access.

Relevance: The importance of the information for your needs

Does the resource relate to your needs?

Who is the intended audience?

Is the information in the resource at an appropriate level for your learners?

The content of the platform is suitable for the teaching needs of my course as it is aimed at a professional or training audience.

Authority: The source of the information

**Who is the creator? **

What are their credentials or organizational affiliations?

Are they qualified to write on this topic?

The organization responsible for the platform is the same one that developed the Articulate creation software, making it very useful and appropriate for its experts to generate content for other professionals and apprentices.

Accuracy: The reliability and truthfulness of the information

Is the information supported by evidence?

Has the resource been reviewed or refereed?

Are there spelling, grammar, or typographical errors?

Publications on this platform are open to peer reviews and comments. It appears to be well reviewed in terms of errors.

Purpose: The reason the information exists

Why does this resource exist? (to inform, teach, sell, entertain, or persuade?)

Is the information fact, opinion, or propaganda?

Are there political, ideological, cultural, religious, institutional, or personal biases?

The objective of this platform seems to be a center for exchanging information of different depths regarding the creation of e-learning content. Articulate does have some paid resources but offers many free ones at a professional level.

Notes: Are there additional questions or observations you have about this material that affect your decision to use it? (i.e. this is an opinion piece that I will use to demonstrate one side of an argument).

Final Recommendation: Will you use this resource? Why or why not?

I would definitely use this platform, both as a teaching resource and for personal and professional use.
